Exercise nº 1

Exercise Nº1 Cmaj — original composition by Mario Maurano. © 2026 Mario Maurano. All rights reserved.

Open COSMIC KEYBOARD

The COSMIC KEYBOARD shortcuts. Opens in AXIOMATIC mode. The notes are sequential, starting on Z = C (Do). An octave higher A = C (Do). and Q = C (Do).

TIP: Use same fingering system for piano : Thumbs nº 1, Indexes nº 2 etc.

<https://musicmotionsuite.com/suite/keyboard-shortcuts.html>

Press “pulse” button to open the Pulse Metronome to set your own tempo for this exercise

Click on the “tap” button a few times to set your tempo. The light shows the beat that you can hear setting ON the click button and modify its volume and tone.

TIP: Start slow BPM = 30 (two seconds for beat)
